MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA:

General Counsel

Deputy Director for Plans

SUBJECT:

CIA and the Fulbright Amendment

- 1. This memorandum is for your information.
- 2. We have been asked by the Deputy Director for a listing of all FE Division programs that might be affected by the Fulbright and other amendments to the Defense Appropriations Act. General Cushman asked for a determination by the Office of General Counsel on which of these programs might cause us problems. There follows a listing of the five key programs to be considered. In each instance, we have distinguished between those for which CIA serves as a funding conduit and those for which we function as the executive agent. Also, we note those that are making a direct contribution to the war in South Vietnam. The Office of General Counsel's determination is to be attached to this memorandum.
